

Dear Parents/Guardians of Prescott Learning Centre,

January 8, 2018

Exciting news!!

Prescott Learning Centre is now participating in CLUB MOO -- Alberta's School Milk Program. (For more information about the benefits of milk, you can go to www.albertamilk.com/nutritioneducation)

We will be selling 237 mL cartons of 2% white or chocolate milk at lunchtime one time per week. Lactose free options are not yet available. This is a PRE-ORDER/PRE-PAY plan starting on Wednesday January 31st and the last day will be May 31st. The milk days will alternate between Wednesday and Thursday (opposite to Hot Lunch Days).

The session will begin on January 31st, 2018 and end on May 31th, 2018. Each 237ml milk carton will be \$1.00. Milk cannot be stored at the school. If your child is absent on milk day, you must contact clubmoo@plcff.com by 9am to arrange pick up at lunch from 12:30-1pm or if you want another sibling to pick up the milk. No milk will be stored past that point.

Ordering is easy and can be done through the prescott.hotlunches.net website (access code PLCHL). However, we will have a cash only day in the Collaboration Centre at Prescott Learning Centre on Friday January 19th from 2:30 - 6pm. If you are paying by cash, please complete your order online before the cash day and print off a copy to bring it with you. The order and payment system will be a paperless system (no tickets will be provided) and will be mainly electronic with the exception of the cash day.

Online orders have to be placed no later than Monday January 22nd, 2018. So please do not delay as there will only be one opportunity to participate in this program for this school year. Next year we plan to start the program in October and will have 2 or 3 sessions. Please do not hesitate to contact us with any questions about the program or if you have any problems ordering.

Thank you so much!

Bernadette Neethling and Nicole Rentz-Tilki
