Athletics

Basketball season is in full swing and all 6 of our teams are making Prescott Proud! Please check our Public Calendar [here](#) for up to date game, tournament and practice information.

Scents at Prescott

Prescott Learning Centre is a scent aware school. Please note that students are not permitted to bring any form of spray scents to school. If they need to apply deodorant, it should be in the form of a stick.

Peanuts at Prescott

If your child's classroom has a student with severe peanut allergies, we are asking that you do not send peanuts or peanut products with your child. If students do have peanut products in a classrooms with allergies, we will have them eat in a non peanut allergy classroom with a buddy.

We are doing our best to keep all of our common areas (Collaboration Centre, Gathering Areas) free from peanuts as well.

Lates/Absences/Leaving Early

If your child is going to be absent or late, please call or email our office. As well, if you are picking up your child early from school, please let the office know and ensure your child has signed out. It is important to note that three lates is equivalent to one absence. Students arriving to their class after 8:30am are required to get a late slip.

How do we communicate?

School Wide Communication

All information that impacts beyond a single classroom or grade level is communicated via our school website, prescott.psd70.ab.ca. Please ensure you have subscribed. As a subscriber, you will receive an email each and every time our school posts information to the website. **It is our most current source of information.** You will find important dates on our [school calendar](#), photos and videos of your child's learning, as well as division wide information.

You can also connect with us via email: prescott@psd70.ab.ca or telephone: 587-571-8079. We are always happy to help, support and answer any questions that you may have.

Classroom Communication

All of our teachers will communicate student learning and classroom events via their classroom blogs and email. Some are also communicating using the SeeSaw App and/or the Remind App. You will receive classroom specific information from your child's teacher. Please ensure you provide them with your current email address to enhance communication.
